Meeting with Bill and Dr. K

- I. Find cheaper valves
 - Can we substitute multiple one way valves
 - Size constraints?
 - Exit has smaller area, 3-way is necessary
 - Can maybe do multiple one ways for entrance side
 - There's more room to work with
- II. Epoxy gun for Hilti products:
 - Price on BOM is from Home Depot
 - \$20 cheaper from Hilti
- III. See if other places have them:
 - FMS
 - Hilti
 - PE for suggestions
 - General contractors?
- IV. Need to find a hammer drill if we don't get install contracted
- V. Brackets:
 - Make brackets out of all of the same plate metal used for floor plate?
 - Cost associated?
- VI. Try to find natural resonance of system
- VII. Final MSD I wrap-up meeting with Bill and Dr. K:
 - Tuesday, February 28, 2012
 - 10:00 am
 - 4th Floor
 - Make sure EDGE is updated
