

1/10/2013
Meeting Notes

Brainstorm Important Points for Presentation:

- Muscle placement
 - Relates to sketches of muscle placement ideas
 - Muscles in parallel for extra pull?
- Exploring air muscle options
 - Materials
 - Dimensions
- Tentative list of parts for consideration of improvement
 - Battery
 - Tank
 - Solenoids
 - Arduino

Plans to Move Forward:

- Free body diagrams for review
- Theoretical muscle force calculations
- Test stand construction
