

MSD 1 Post Mortem: Lessons Learned

MSD 1 Concerns	Mitigation for MSD 2
We did not complete our work in a timely fashion.	Anticipate that we will hit road blocks and start sooner. Follow project plan.
We work well as a team.	Continue.
We showed up, usually.	Continue.
Did not have a single owner on each task.	Have an owner and report back on progress and actions during meetings.
Having more meetings.	Individual subsystem meetings.
Threw the project plan (PP) together without any real visibility.	Go over PP as team. Make it together. Use it as a tool to maintain schedule. Review as a group to stay on schedule.
Conflict arose. Will it again?	Use peer mediation as method to resolve any conflict.
