

Minutes

10/17/13

- SDR prep work
 - Proof of concept
 - Analysis
 - Simulation
 - Prototyping (n/a for our case)
 - What is our design going to look like?
 - Weight?/ Volume?
 - Fittings.components
 - How does it work?- Kyle
 - System block diagram
 - Visual flow of system

- Review likely to take place Tuesday of week 9.
- Edit
 - Engineering requirements
 - FMEA
 - Functional Decomposition
- Specifically:
 - Pressure Transducers
 - Valve Control
 - Controller
 - Piping
