

## **Minutes**

11/04/13

- PTs
  - o PCB calibration available at extra cost  
Do we need hydraulic PTs? Or general purpose ones?
  - o Kistler is in bars and the closest they have to our range is 13,000psi
    - Not much useful info available about PTs
  - o New 1000psi Omega PT is around \$500
