

P15001 Active Ankle Foot Orthotic 4/16/15
MSD II Phase IV "I'm Walking Fine" lyrics

I keep a close watch on this brace of mine
I keep my orthotic on all the time
And I'll admit the price was kind'a high
But now it's mine
I'm walking fine

I find it very very easy to use
I find there's air left after each day's through
I've needed this since 1992
And now it's mine
I'm walking fine

As sure as snow will fall on RIT
I'll wear the brace now every time I leave
And I'll salute the folks at MSD
Because it's mine
I'm walking fine

I find it very very easy to use
I find there's air left after each day's through
I've needed this since 1992
And now it's mine
I'm walking fine
