

Team P17046

Engineer: Josh Closson

Entering Phrase: Subsystem Build & Test

**What do I plan on doing to ensure that Team P17046 has a successful Phase 8 review?**

1. Continue to update Website
2. Continue to develop Imagine RIT Poster
3. Continue to communicate with customer and offsite testing facilities
4. Assist in writing technical report
5. Develop presentation for Mary Cariole Parents Night

**You will answer these three questions when you submit at the end of Phase: Integrated System Build & Test.**

1. Was my team on track?
2. Did we have a working prototype Integrated System to demonstrate?
3. Technical Report 50% completed?
