

**Team: 18262\_\_\_\_\_ Engineer: Steve Titus\_\_\_\_\_**

**Entering Phase: Customer Handoff**

**What do I plan on doing to ensure that Team P18262 has a successful Next Phase review?**

1. Continue to aid the firmware team on development and testing of firmware.
2. Produce and Edit our lightning talk video

**You will answer these three questions when you submit at the end of Phase (system design).**

1. Is the team in a place to hand off our product?
2. is the lightning talk finished?
