

**Team: 18262** \_\_\_\_\_

**Engineer: Will McCaffrey** \_\_\_\_\_

**Entering Phase: Phase 4**

**What do I plan on doing to ensure that Team P18262 has a successful Phase 4 review?**

1. Order all parts for 4.1 revision
2. Finished populating Master 4.1 boards
3. Create the presentation for the phase 3 presentation
4. Create poster for Senior Design

**You will answer these three questions when you submit at the end of Phase 3.**

1. What did I actually do?
  - a. Purchases all parts for Rev 4.1
  - b. Build rev 4.1 master boards and tested them
  - c. Created Poster for Senior Design
2. What did I learn?
  - a. Rev 4.1 successfully manages issues found in 4.0
  - b. Poster template
  - c. More information about integration of the bike and BMS
3. What do I plan on doing to ensure that Team P1862 has a successful Phase 4 review?
  - a. Finish Poster
  - b. Help with integration of the board and bike
