

Team: P18371 Engineer: Garrett Hebbard

Entering Phase: 1, MSDII

What do I plan on doing to ensure that Team P18371 has a successful MSD 2 Phase 1 review?

1. Develop plan for MATLAB final deliverable
2. Pick final sensors
3. Learn now to machine
4. Keep Edge Updated

You will answer these three questions when you submit at the end of MSD 2 Phase 1

1. What did I actually do?
2. What did I learn?
3. What do I plan on doing to ensure that Team P18371 has a successful Phase (5) review?
