

Team: P18371 Engineer: Lily Mazur Entering Phase: 5

What do I plan on doing to ensure that Team P18371 has a successful MSD2 Phase 1

1. Coordinate engineering analysis
2. Begin writing all documentation towards report

You will answer these three questions when you submit at the end of MSD 2 Phase 1

1. What did I actually do?
2. What did I learn?
3. What do I plan on doing to ensure that Team P18371 has a successful Phase (5) review?
